FUNERAL RITES HELD WEDNESDAY FOR MRS. ELSIE SNOW

Mrs. Elsie Bowen Snow passed away Monday afternoon at the Sycamore Municipal Hospital.

She was born near Earlville on a farm on February 17, 1870, the daughter of Daniel Bowen and Eliza Smith Bowen. She spent her early life in this vicinity and received her education here. When a young lady, she was employed at the Earlville Post office for five years.

On February 22, 1910, she was united in marriage to Clyde Mason Snow of Earlville, who was Professor of Pharmacy at the University of Illinois School of Pharmacy in Chicago. They made their home in the city of Oak Park for many years. Professor Snow died in 1939 and in 1941, Mrs. Snow moved to Sycamore where she and her sister, Mrs. Josephine Frank lived together.

Final rites were held Wednesday in Sycamore. Following cremation, the ashes will be interred in the Precinct cemetery.
