

## LOUISE CLARK

Louise Clark passed away Thursday March 8 after a very severe attack of pneumonia of fifteen days duration. She was one of a pair of twins born March 25, 1916 to Mr. and Mrs. Louis Clark. Notwithstanding the combined efforts of a trained nurse, physician and members of the family, little Louise was not able to withstand the disease. The funeral was held at 2 o'clock Sunday at the home of her parents. Rev. Jenkinson conducted the service. The Sunday School classmates of her sister Florence acted as pall bearers and flower girls. Music was furnished by Miss Ruth Watson and the three daughters of H. G. Lorenzen. She was laid to rest in the St. John's cemetery among a profusion of flowers, tokens of loving relatives and friends. 1917.
