GEORGE DULANEY

George Dulaney, 18, of Milford township, died Wednesday evening at 5:00, at Iowa sanitarium, after an illness covering a period of about ten days.

While he had submitted to an operation for infection, death was due to blood-stream infection.

The young man who had lived near Collins previous to the moving of the parents Mr. and Mrs. W. L. Dulaney, to Milford township, was well known in the communities where he had lived.

Funeral services were held Sunday afternoon at 2:00 at Nevada, after which the body was taken to Dahigren, Hamilton county, Ill., for burial. The service was in charge of Rev. Loose of the Nevada Methodist Episcopal church.
