

Gilger, U. Grant  
d. 1-11-1934

A bullet through the heart from a gun held in his own hands caused the death of U. Grant Gilger, 62, long time resident of the Colo community, who was found dead in his home at Lyons, Colorado, last Thursday. The funeral was held at the Methodist church in Colo Tuesday afternoon, followed by interment in the Colo cemetery under the ritualistic ceremonies of the Masonic lodge. Worry over business affairs is given as the cause of the suicide.
