Rev. U. Groth died suddenly
Death claims former pastor suddenly at Cedar Falls
June 30, 1932 *State Center Enterprise*

Word was received here Wednesday morning of the sudden death of Rev. U. Groth, which occurred at Cedar Falls Tuesday evening.

Rev. Groth was pastor of St. Paul's Lutheran Church of this city for many years prior to the ministry of Rev. J.G. Oltman here. His death was sudden, presumably due to heart failure.

The body will be taken to Palmer, where Rev. Groth was active as pastor. Funeral arrangements have not yet been announced.
