

Harmon, A. W. ¹⁵ Son

d. 4-20-1901

The three-year old son of Mr. and Mrs. A. W. Harmon, of Rhodes, died last Saturday night and was buried Monday afternoon. Services were to have been held in one of the churches, but popular sentiment caused the plans to be re-arranged and the funeral took place from the house. The little fellow had been an intense sufferer with what disease the doctors could not agree. But from all we can glean from reports we have heard he had scarlet fever.
