

# Former Nevada Man In Fatal Rail Accident

7-30-1937

Des Moines, Ia., July 30—INS—Morris Hidy, 52, of Des Moines, died today of injuries received when he was run over by a Rock Island engine at the railroad yard here last night.

Morris Hidy lived in Nevada thirty years ago, a son of Mr. and Mrs. W. C. Hidy, who moved to Nevada from Collins. During the time the family lived here the father traveled for a wholesale grocery house. The Morris Hidy mentioned in the above dispatch is the same Morris Hidy who left Nevada thirty or more years ago.

The parents are dead but Morris, who had been employed by the Rock Island as a freight checker for a score of years, leaves besides his immediate family, two sisters, Mrs. Viola Rounds of Mankato, Minn., and Mrs. Flora Allen of Michigan. Mr. and Mrs. Mates Rounds stopped in Nevada this morning on their way to Des Moines, where they had been called following the fatal accident.
