

## JOHN MELISCH

Funeral services were held at the Lutheran church in State Center at 2 o'clock Sunday afternoon for John Melisch, 9-year-old son of Mr. and Mrs. John Melisch, living south of town. John was the only child in the home, and the sympathy of the community is extended to the bereaved parents.

In September, while John and his mother were visiting in Duluth, Minn., he fell and broke the bones of one leg. He was taken to a hospital, his leg put in a cast, and at the end of five weeks was brought home. Last Thursday he was taken to the hospital at Marshalltown to have the cast removed. It was found that the wound had never healed and an operation would be necessary to condition the leg for healing. But the child succumbed during the operation which was performed Thursday afternoon.
