

Gazette: March 23, 1911

Prior to October 1909, I advertised for a physician with the intention of forming a partnership should the applicant prove suitable and after two months trial, I formed partnership with Dr. L.F. Richardson on January 1, 1910. Without notice he did on the 14th day of March, withdraw the partnership.

Dr. N.W. Knepper

Update: Mr. Knepper came to Collins in August 1882. He died November 29, 1916 at age 63.
