Obituary

Helen Jane Shearer came to gladden the hearts of her parents on July 14, 1929, at Collins, Iowa. But God needed another angel in Heaven and little Helen answered the call to His summons on Wednesday, Sept. 18, 1929, at Iowa Lutheran hospital, Des Moines, Ia., aged nine weeks and three days. While her stay on this earth was but of short duration, she had endeared herself to the hearts of many, who though they know that their loss is Heaven's gain, greatly mourn her departure. She is preceded in death by a baby sister, Mariea Belle, and is survived by her parents, Mr. and Mrs. C. O. Shearer, brother Charles Thomas, and a host of other sorrowing relatives and friends.

Through this dark day your heart is
sick with grieving and torn with
disbelieving,

Though now you weep

Across the deep

Tempestuous sea of sorrow lies a
shore

Where peace shall soothe your soul
forevermore.
