Crane/Flynn, Esther	F	November 23, 1922 Issue Albany Ledger - Bethany Republican	???	???	Crane, Mr. & Mrs. A. G.		A. G. Crane married a Bethany girl, separated soon after, wife went to Colorado, remarried, and after second marriage a daughter was born. When the child was about 18 months of age, the mother died, and she was taken by relatives to rear. Her father still a traveling salesman, knew nothing of her birth, and the chance of his learning of being a father was further complicated because the child was known by the name of Flynn, her mother's name after her second marriage. Time passed and she was taken to Texas by other relatives. After this she came to Leon, Iowa, where she lived with her grandparents for some time. At about the age of 12 years, when it was believed she was old enough to appreciate the recital, she was told by her grandfather the story of her birth, but yet more years passed before father and daughter were to meet for the first time. Esther married Antell, by chance learned of her father's whereabouts through a business man in Leon, who knew her father, but not the relationship. She made a telephone call to her father in Bethany and made arrangements to meet him.
